Fuzz Wax Bar

515 Lakeshore Road East, Unit 108, Toronto, ON

DESCRIPTION

Fox completed this tenant fit-out for the Port Credit location of Fuzz Wax Bar, a boutique Canadian salon chain. With stores across the country, Fuzz has made beauty and wellness accessible to all through its mission to provide efficient, effective, and welcoming experiences for their clients.

For this storefront location, Fox delivered custom fixtures such as signage and millwork consistent with the salon's brand identity, along with specialized salon equipment.

This build out included six salon cabins, a staff room with a full-size kitchen, a storage room, a wax preparation area, a universal bathroom and the salon's reception.

Fox delivered new flooring and tiling throughout, supplied and installed new doors and frames, and delivered the new electrical and mechanical fixtures throughout the space.
