DESCRIPTION

Lob Toronto is the city's first indoor bocce-golf course and corporate event space. The venue not only features a brand new game of bocce crossed with golf, but also serves great food and drinks. At Lob's 80-seat restaurant and licensed bar, you can catch other televised sporting events once your round is finished.

Fox converted the space from a shell to a commercial-hospitality-use space. This exciting 11,000-square-foot bar and restaurant includes:

- 9 track bocce-golf course
- 80 seat restaurant space
- Complete commercial kitchen with equipment install
- Commercial beer dispenser systems
- Large TV screens throughout
- Brand new washrooms

Check out the expansive and innovative Lob Toronto venue for your next corporate or team building event!
