Morrison Hershfield
125 Commerce Valley Drive West, Markham, ON

DESCRIPTION

Morrison Hershfield is a market-leading engineering firm dating back to 1946. With an impressive track record of award-winning projects, the company has grown to over a thousand employees in offices across North America.

Fox renovated four floors in this building on time and on budget, which included:

- Three floors of employee occupied space
- Concourse with complete installation of storage cages
- Two folding partitions complete with structural steel components
- Feature reception wall including wood slats
- Angled glass office fronts
- Boardrooms complete with acoustic wood paneling
- Meeting rooms complete with Filzfelt acoustic paneling
- Work lounges for individual employee meetings
- Employee social café with fabric seating booths and ceiling wood slats
- Two showers – one being AODA Compliant

PROJECT
53,000 sq. ft.
