DESCRIPTION

Pet Valu is Canada's largest pet retailer with over 700 locations across the country. The brand offers over 7,000 products suitable for any pet owner including holistic, national and premium brands of food and accessories.

Fox handled all the details for Pet Valu's retail fit-out in Ottawa, which included the check-out desk, retail floor, back-of-house storage and the tiled dog wash area.

In order to produce a build-out consistent with the franchise's brand identity, Fox worked with the designer to account for all the unique interior elements including custom millwork and signage.

The scope of this project included demolition, metalwork, millwork, roofing, doors and frames, electrical, mechanical, drywall, flooring, painting and toilet accessories.
