Tommy Gun's
24 Iber Road, Ottawa, ON

DESCRIPTION

With over 100 locations across four countries, Tommy Gun's is a trusted name for all things hair – from bold new styles to timeless classic cuts.

Fox worked closely with the client and designer to ensure this Kanata location met the world-class standards of a Tommy Gun's barbershop.

Some of the features of this tenant fit-out included:

- New mechanical fixtures including plumbing, sprinklers, HVAC and roofing
- New electrical fixtures including lighting, TVs, automatic door openers and fire alarm system
- New millwork, drywall, flooring, brick and metal cladding
- Signage throughout consistent with Tommy Gun's brand identity

Drop in for a cut next time you're in Kanata!
